

# DREAM GARDEN

## Installations & Home Gardening Service:

This experience is meant to be a pleasant, easy and manageable one. We would love to install the garden of your dreams and provide you with your own personal gardener to assist you along the way.

## Installation:

Along with choosing the size you also can customize your garden installation.

Installation includes: wood, soil and labor

\$8 psf standard

\$12 psf with bench

## Home Gardening Service:

Our home gardening service takes gardening to a whole new level. Along with your own personal gardener to ensure your fruit, vegetables and herbs are given the attention needed, we've partnered with local chefs to provide recipes to go along with the most common seasonal vegetables and herbs. Provided monthly, you receive recipes, wine and local meats, cheese and oil distributors just to name a few. All is to provide you with the ultimate gardening experience to provide a happy and healthy lifestyle, even for the busiest of schedules.

\$25 a week, billed monthly

Home gardening maintenance includes:

- Personal gardener
- Weekly visits to garden
- Pruning, weeding and picking
- Local chefs recipes and suggestions
- Gardening and seasonal planting tips
- Wine pairing suggestions for seasonal vegetables and herbs
- Local distributor product recommendations

## What Is Square Foot Gardening?

This method is for gardeners at any level of experience. It uses raised beds and a grid system to have various plants over time and enables the gardener to access each plant from every angle. Depending on the plant size depends on the number of plants per square foot. For example, 1 square foot can fit 1 broccoli plant or 16 radishes.

## Why Square Foot Gardening?

Allows you to plan, build and harvest an ideal garden in small to large areas with the ease and simplicity with no weeding.

## Potting Services:

In addition to square foot gardening, we offer in-store and in-home potting services. Potting fees include soil, fertilizer or any amendments needed.

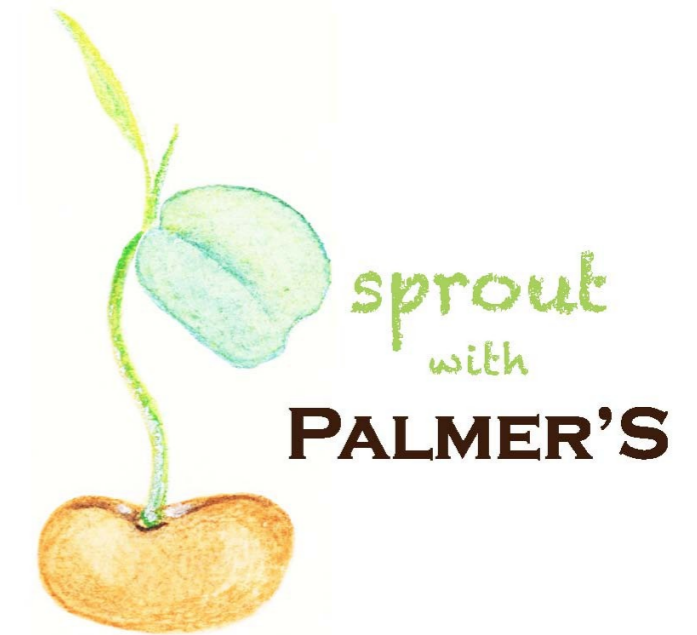

Pot Diameter	Potting Fee (plants additional)	At Home Service
0"-8" pot	\$6.99	\$2.00
9"-12" pot	\$8.99	\$4.00
13"-16" pot	\$10.99	\$6.00
17"-20" pot	\$12.99	\$8.00
21" and larger	\$15.99	\$12.00

\*Oversized pots will be charged accordingly

**SQUARE FOOT GARDENING**  
**INSTALLATION & MAINTENANCE**

# THE PROGRAM

Palmer's has designed a program to get the dream garden you've always wanted. By using the square foot gardening method, you can maximize the space needed for each plant with minimal maintenance. Broken down to 3 simple steps, you can get the size, variety and a personal gardener just outside your door.

Pick from our selection of fruit, vegetables, and herbs to create the garden that best fits your lifestyle. Using the square foot gardening grid, you can begin to drop in the plants for your garden.

Symbol	Plant	Plants Per Sq Ft
A	Arugula	4

# THE PLAN

L	BR	CA					

4'x4'=16 square feet      4'x6' = 24 sq ft      4'x8' = 32 sq ft

## Step 1: Pick the Perfect Spot

Depending on the area, we've got 3 sizes to choose from:

4'x4'=16 sq ft      4'x6'=24 sq ft      4'x8'=32 sq ft

When choosing the size and area, there are a few things to keep in mind:

- plants need 6-8 hours of sun
- Facing south is preferred, but not required.
- Close to a water hose
- Not in the path of others playing

## Step 2: Plan Your Garden

If tomatoes and arugula is what you want or bell peppers and okra, we've got the garden to fit your lifestyle. We've got several to choose from, but you can always create your own.

## Step 3: Installation and Maintenance

We are with you every step of the way. Our gardeners will manage your beautiful garden and ensure your satisfied every step of the way.

# THE GARDENS

## Spring Harvest Veggie Garden

Butter Head Lettuce	Broccoli	Cabbage	Carrots
